CDM 2015 (1 day)

Principal Designer and Principal Contractor
duties under the Construction (Design
Management) Regulations

This one-day course is designed for Company employees who will be expected to understand the role of Principal Designer or Principal Contractor on their own company's construction projects. It is not intended to enable delegates to act as Principal Designer or Principal Contractor in their own right.

The delegate should have a basic understanding of the new CDM Regulations, be able to read drawings and have general knowledge of the Construction Industry.

What we offer

- Occupational Health Services
- Regular Site Inspections
- Site Inspection Reports
- Non-Compliance Reporting
- Accident Reporting
- CDM Compliancy
- Risk Management Tools
- Annual Health Check
- Accident Investigation
- Training Courses
- SSIP Assistance
- Member Helpline
- Toolbox Talks
- Fire Risk Assessments
- Health and Safety Audits
- Annual Office Inspections
- Environmental advice
- UK Coverage
- Online Accident Statistics
- Dedicated Safety Advisers

What you will learn

The aim of this course is to ensure that delegates are aware of the legal duties placed upon Principal Designers and Principal Contractors under the new CDM 2015 legislation.

After successfully completing the course, delegates will be capable of demonstrating a sound knowledge of:

- The statutory obligations placed on Clients, Principal Designers, Designers, Principal Contractors and Contractors
- The Principal Designers role as co-ordinator
- The risk assessment process and its relevance in the preparation of the Pre-Construction Phase Plan and the minimum health and safety requirements for construction sites
- The preparation and implementation of the Construction Phase Plan and the general requirements for all construction sites
- Preparation of the Health and Safety file.

Course Dates 2024

- 5 Mar
- 30 Jul
- 12 Nov

About BSG

The Building Safety Group (BSG) is a not-for-profit organisation which specialises in providing Health, Safety and Environmental consultancy and training for the construction industry. BSG has over 800 members operating across 3500 workplaces throughout the UK.

We conduct over 20,000 site inspections every year and train more than 10,000 construction workers.

What our clients say about us

"Excellent Instruction and very clearly conveyed."

Southside Scaffolding Limited

"BSG are clearly experts in Health and Safety training for the construction industry."

CTS

"As I was pretty new to the role, my knowledge was limited but after taking the BSG course I feel very confident I will be able to positively move on in my position. I have learnt a massive amount."

Prodeck Fixing Ltd

"I learnt a lot about disciplines I previously knew nothing about. Learnt new regs and reinforced my previous knowledge."

Mirage Interiors

Need a course at your organisation?

If you have a group of 6 or more employees requiring training, we can run courses on a private basis, at a venue of your choice on a date that suits you. We can tailor the course to meet your needs and requirements. Contact us to find out more and get a bespoke quote.

How to book
