Confined Space (1 day)

This one day course will ensure that those attending are aware of:

- The hazards associated with entry into confined spaces
- The legal duties of employers, self-employed persons and employees regarding confined spaces
- The control measures required to ensure that work in confined spaces can be carried out safely and without risk to health

Who is it for?

The Confined Space course is aimed at personnel who are required to carry out work in small spaces such as manholes or tunnels.

What we offer

About BSG

The Building Safety Group (BSG) is a not-for-profit organisation which specialises in providing Health, Safety and Environmental consultancy and training for the construction industry. BSG has over 800 members operating across 3500 workplaces throughout the UK.

We conduct over 20,000 site inspections every year and train more than 10,000 construction workers.

What our clients say about us

"Excellent Instruction and very clearly conveyed."

Southside Scaffolding Limited

"BSG are clearly experts in Health and Safety training for the construction industry."

CTS

"As I was pretty new to the role, my knowledge was limited but after taking the BSG course I feel very confident I will be able to positively move on in my position. I have learnt a massive amount."

Prodeck Fixing Ltd

"I learnt a lot about disciplines I previously knew nothing about. Learnt new regs and reinforced my previous knowledge."

Mirage Interiors

Need a course at your organisation?

If you have a group of 6 or more employees requiring training, we can run courses on a private basis, at a venue of your choice on a date that suits you. We can tailor the course to meet your needs and requirements. Contact us to find out more and get a bespoke quote.

How to book

Book your place by calling our Training Services Team on 0300 304 9080 or email Training@BSGlimited.co.uk with your enquiry.
