

Emergency First Aid at Work (1 DAY)

This course is designed for those persons appointed to take charge of emergencies within the workplace. The course should be refreshed every year.

The course runs in accordance with the current First Aid Manual and is approved by the HSE.

What will you learn?

On successful completion the student will be able to:

- Summon the emergency services
- Provide basic First Aid treatment for both conscious and unconscious casualties
- State the contents of a First Aid Kit
- Conduct the necessary duties in the aftermath phase of an accident in the workplace

Book your place by calling our Training Services team on 0300 304 9080 or email Training@BSGlimited.co.uk with your enquiry.

What our clients say about us

"Excellent Instruction and very clearly conveyed."

Southside Scaffolding Limited

"BSG are clearly experts in Health and Safety training for the construction industry."

CTS

"As I was pretty new to the role, my knowledge was limited but after taking the BSG course I feel very confident I will be able to positively move on in my position. I have learnt a massive amount."

Prodeck Fixing Ltd

"I learnt a lot about disciplines I previously knew nothing about. Learnt new regs and reinforced my previous knowledge."

Mirage Interiors

Need a course at your organisation?

If you have a group of 6 or more employees requiring training, we can run courses on a private basis, at a venue of your choice on a date that suits you. We can tailor the course to meet your needs and requirements. Contact us to find out more and get a bespoke quote.

How to book

Book your place by calling our Training Services Team on 0300 304 9080 or email Training@BSGlimited.co.uk with your enquiry.
