About BSG

The Building Safety Group (BSG) is a not-for-profit organisation which specialises in providing Health, Safety and Environmental consultancy and training for the construction industry. BSG has over 800 members operating across 3500 workplaces throughout the UK.

We conduct over 20,000 site inspections every year and train more than 10,000 construction workers.

What our clients say about us

"Excellent Instruction and very clearly conveyed."

Southside Scaffolding Limited

"BSG are clearly experts in Health and Safety training for the construction industry."

CTS

"As I was pretty new to the role, my knowledge was limited but after taking the BSG course I feel very confident I will be able to positively move on in my position. I have learnt a massive amount."

Prodeck Fixing Ltd

"I learnt a lot about disciplines I previously knew nothing about. Learnt new regs and reinforced my previous knowledge."
