

Your partners in health, safety and environmental welfare

CITB Health and Safety Awareness (HSA)

(1 day)

The CITB Health and Safety Awareness course provides a practical summary of health and safety, welfare and environmental issues identifying individual responsibilities, what the employer's duties are and what should be done if they think anyone's health and safety is being put at risk.

Who is it for?

The course is for those who have entered or are about to enter the construction and civil engineering industry as a member of the workforce, and is to help them understand the potential hazards that they face at work on site. This course also acts as a refresher course for long standing employees.

What we offer

- Occupational Health Services
- Regular Site Inspections
- Site Inspection Reports
- Non-Compliance Reporting
- Accident Reporting
- CDM Compliancy
- Risk Management Tools
- Annual Health Check
- Accident Investigation
- Training Courses
- SSIP Assistance
- Member Helpline
- Toolbox Talks
- Fire Risk Assessments
- Health and Safety Audits
- Annual Office Inspections
- Environmental advice
- UK Coverage
- Online Accident Statistics
- Dedicated Safety Advisers

What will you learn?

The aim of the course is to help delegates to understand their individual responsibilities and what is expected of them and to ensure they contribute to the safety of the workplace.

By attending BSG's course you will be able to:

- Understand the need to prevent accidents
- Have an understanding of health and safety law
- Be able to identify how your role fits into the control and management of the site
- Understand the need for risk assessment and method statement
- Appreciate the need to perform safely and to stop and ask for advice if unsure.
- Analyse health, safety and welfare practices and procedures

About BSG

The Building Safety Group (BSG) is a not-for-profit organisation which specialises in providing Health, Safety and Environmental consultancy and training for the construction industry. BSG has over 800 members operating across 3500 workplaces throughout the UK.

We conduct over 20,000 site inspections every year and train more than 10,000 construction workers.

What our clients say about us

"Excellent Instruction and very clearly conveyed."

Southside Scaffolding Limited

"BSG are clearly experts in Health and Safety training for the construction industry."

CTS

"As I was pretty new to the role, my knowledge was limited but after taking the BSG course I feel very confident I will be able to positively move on in my position. I have learnt a massive amount."

Prodeck Fixing Ltd

"I learnt a lot about disciplines I previously knew nothing about. Learnt new regs and reinforced my previous knowledge."

Mirage Interiors
