Portable Appliance Testing (PAT) Training (1 day)

Portable Appliance Testing (PAT) training is for candidates of all experience levels; novice, experienced and refresher. On completion, candidates will be able to test appliances as electrically safe. Training can be delivered in a working environment. The trainer will incorporate practical tasks, meaning candidates are able to undertake training on the types of equipment specific to their own workplace.

Legal Requirements

Training incorporates:

- PUWER 1998
- Electricity at Work Regulations 1989
- The Health and Safety at Work Act 1974
- IET Code of Practice

- Formal Visual Inspections
- Combined Inspection and Testing
- Recording and Documentation Procedures

Additional benefits

- Delegates undertake both theoretical and practical training and assessment
- Candidates receive a high-quality A5 training manual and guidance booklet
- Training can incorporate your company's risk assessments
- Soft copies of all course paperwork are available to employers on completion of training

Training is delivered by fully qualified instructors

Equipment requirements

The client is responsible for supplying all equipment & PPE.

PAT Kit BSG will supply a PAT kit for training. If you have your own and would like guidance to operate it please bring it with you.

Electrical Equipment A selection of electrical equipment is required for testing purposes.

A broader range of equipment will add to the quality of training and make for a more interesting and informative session.

Office/ Classroom/ Cabin A well-lit and suitably heated closed-door environment to conduct theory training. Tables and chairs to accommodate all learners and the trainer assessor, this must include writing space for all learners. A screen or projector is desirable but not essential.

Exclusive use of this facility is required for the duration of training.

Courses are arranged on a demand basis, please contact us for further information or to book a course.

Candidates per course

Maximum of 6 delegates per day.

What qualifications will I achieve?

BSG Certificate of Training.

About BSG

The Building Safety Group (BSG) is a not-for-profit organisation which specialises in providing Health, Safety and Environmental consultancy and training for the construction industry. BSG has over 800 members operating across 3500 workplaces throughout the UK.

We conduct over 20,000 site inspections every year and train more than 10,000 construction workers.

What our clients say about us

"BSG are clearly experts in Health and Safety training for the construction industry."

CTS

"As I was pretty new to the role, my knowledge was limited but after taking the BSG course I feel very confident I will be able to positively move on in my position. I have learnt a massive amount."

Prodeck Fixing Ltd

Need a course at your organisation?

If you have a group of up to 6 employees requiring training, we can run courses on a private basis, at a venue of your choice on a date that suits you. We can tailor the course to meet your needs and requirements. Contact us to find out more and get a bespoke quote.
