This course qualifies you to bank any category of vehicle up to and including LGV/HGV articulated lorry. Bank vehicles on any site in the UK with permission of the person responsible for site H&S. It does not qualify you to instruct or supervise others who have not received formal training as a vehicle banksman.

## Candidates per course

Maximum of 6 learners per day. This is approx. a 4-5 hour course. All experience levels.

## Course dates 2024

- 31 Jan
- 9 Feb
- 13 Mar
- 19 Apr
- 21 May
- 26 Jun
- 31 Jul
- 7 Aug
- 4 Sep
- 30 Oct
- 13 Nov
- 4 Dec

## Minimum PPE (personal protective equipment)

### Safety

All delegates must wear safety footwear for the duration of practical training. Delegates will not be allowed to participate in training without safety footwear.

### Footwear

### Hi vis coat, vest & hard hat

Must be available for the practical training and assessment.

## Equipment requirements

### Motor vehicle

The vehicle should ideally reflect the type of vehicle that the Banksman will be banking. An LGV/HGV or similar is preferable but not essential, a normal road car is sufficient for training.

Certification will not be limited to the vehicle used during training.

If desired, plant machinery such as Excavator, Dump Truck or similar can be used to complete training.

### Practical training area

A suitable manoeuvring area should be provided; free from steep gradients and cannot be the public highway. This area should be large enough that the vehicle used for training can comfortably perform a simulated commercial reversing manoeuvre. While training is in progress, access to this area should be restricted to the instructor and trainees. Where practicable, training area should be sheltered from adverse weather conditions.

### Office/ Classroom/ Cabin

A well-lit and suitably heated closed-door environment to conduct theory training. Tables and chairs to accommodate all learners and the trainer assessor, this must include writing space for all learners. A screen or projector is desirable but not essential.

Exclusive use of this facility is required for between 60-120 minutes on the morning of each training day.

## About BSG

The Building Safety Group (BSG) is a not-for-profit organisation which specialises in providing Health, Safety and Environmental consultancy and training for the construction industry. BSG has over 800 members operating across 3500 workplaces throughout the UK.

We conduct over 20,000 site inspections every year and train more than 10,000 construction workers.

## What our clients say about us

*“BSG are clearly experts in Health and Safety training for the construction industry.”*

**CTS**

*“As I was pretty new to the role, my knowledge was limited but after taking the BSG course I feel very confident I will be able to positively move on in my position. I have learnt a massive amount.”*

**Prodeck Fixing Ltd**

## Need a course at your organisation?

We can run courses on a private basis at a venue of your choice and on a date that suits you. We can tailor the course to meet your needs and requirements. Contact us to find out more information and to get a bespoke quote.
