CITB Site Management Safety Training Scheme (SMSTS) (5 days)

Approved Training Organisation Status

The Site Management Safety Training Scheme (SMSTS) course is aimed at providing safety management training within the building, construction and civil engineering industries.
The course is designed for companies that need to meet the ever-increasing demand for evidence of sound health and safety on site. The course covers all relevant legislation and other aspects which can affect safe working.

Who is it for?

The course is suitable for a range of roles working within the construction industry including site managers, project managers, and supervisors as well as proprietors of small to medium-sized companies. Client-based personnel would also benefit from attending this course.

What we offer

- Occupational Health Services
- Regular Site Inspections
- Site Inspection Reports

About BSG

The Building Safety Group (BSG) is a not-for-profit organisation which specialises in providing Health, Safety and Environmental consultancy and training for the construction industry. BSG has over 800 members operating across 3500 workplaces throughout the UK.
We conduct over 15,000 site inspections every year and train more than 10,000 construction workers.

What our clients say about us

“Excellent Instruction and very clearly conveyed.”
Southside Scaffolding Limited

“BSG are clearly experts in Health and Safety training for the construction industry.”
CTS

“As I was pretty new to the role, my knowledge was limited but after taking the BSG course I feel very confident I will be able to positively move on in my position. I have learnt a massive amount.”
Prodeck Fixing Ltd

“I learnt a lot about disciplines I previously knew nothing about. Learnt new regs and reinforced my previous knowledge.”
Mirage Interiors

Need a course at your organisation?

If you have a group of employees requiring training, we can run courses on a private basis, at a venue of your choice on a date that suits you. We can tailor the course to meet your needs and requirements. Contact us to find out more and get a bespoke quote.
