Cable Avoidance Tool Training (CAT & GENNY)

The CAT and GENNY half day course aims to present candidates with the underpinning knowledge and to develop practical skills to be able to use a CAT and GENNY and accessories, to a competent level as part of a safe system of work.

Who is it for?

The course is intended for operatives who are required to locate underground services as part of a safe system of work for excavations.

What you will learn

The aim of the course is to provide delegates with the necessary skills required to locate underground services using utility drawings, including use and maintenance of a CAT and GENNY.

What we offer

- Occupational Health Services
- Regular Site Inspections
- Site Inspection Reports
- Non-Compliance Reporting
- Accident Reporting
- CDM Compliancy
- Risk Management Tools
- Annual Health Check
- Accident Investigation
- Training Courses
- SSIP Assistance
- Member Helpline
- Toolbox Talks
- Health and Safety Audits
- Annual Office Inspections
- Environmental advice
- UK Coverage
- Online Accident Statistics
- Dedicated Safety Advisers

Cable Avoidance Tool Training (CAT & GENNY)

By completing this course you will have a good understanding of:

- Basic principles of location and avoidance of underground services
- Reading and understanding site plans
- Using a Cable Avoidance Tool (CAT) and Signal Generator (Genny) in P, R & C Modes
- Appreciation of difficulties associated with underground service avoidance
- Identifying risks and hazards associated with underground service avoidance
- Hazard avoidance
- Storage and maintenance of equipment

Qualification

Successful candidates will be awarded a certificate of attendance accredited by The Building Safety Group

About BSG

The Building Safety Group (BSG) is a not-for-profit organisation which specialises in providing Health, Safety and Environmental consultancy and training for the construction industry. BSG has over 800 members operating across 3500 workplaces throughout the UK. We conduct over 15,000 site inspections every year and train more than 10,000 construction workers.

What our clients say about us

“Excellent Instruction and very clearly conveyed.”
Southside Scaffolding Limited

“BSG are clearly experts in Health and Safety training for the construction industry.”
CTS

“As I was pretty new to the role, my knowledge was limited but after taking the BSG course I feel very confident I will be able to positively move on in my position. I have learnt a massive amount.”
Prodeck Fixing Ltd

“I learnt a lot about disciplines I previously knew nothing about. Learnt new regs and reinforced my previous knowledge.”
Mirage Interiors

Need a course at your organisation?

If you have a group employees requiring training, we can run courses on a private basis, at our venue in Rudgeway, on a date that suits you. We can tailor the course to meet your needs and requirements. Contact us to find out more and get a bespoke quote.
